

ABOUT G.O.A.T FUEL

G.O.A.T. Fuel® (“greatest of all time”) was created by NFL Hall of Famer, Jerry Rice and his family. It is a lifestyle brand focused on bringing health-forward products and a G.O.A.T. mindset to consumers. We believe the term G.O.A.T. shouldn't be reserved only just for athletes but anyone striving to be great.

- G.O.A.T. Fuel® provides a lifestyle and health-forward products to help consumers fuel the best version of themselves.
- Proprietary blend of green tea with EGCG, ginger, amino acids and cordyceps mushrooms, provides energy without the “jittery” feeling.

10 ESSENTIAL VITAMINS

Powerful doses of all the nutrients your body doesn't make, but needs every day.

CORDYCEPS MUSHROOMS

Traditional healers have used these ultra rare mushrooms to treat ailments and improve vitality for thousands of years. You won't taste them, but you'll feel them.

NATURAL CAFFEINE

Boosts your metabolism and keeps you alert so you can crush your next workout and focus on your next project. Each can of G.O.A.T Fuel delivers about the amount you'd find in two and a half cups of coffee.

GREEN TEA

Helps you burn fat faster and protects your cells from damage with the power of antioxidants.

ELECTROLYTES

Keep you performing at your peak by replacing what your body loses through sweat as you train.

BCAAS

BCAAs are thought to help you work out longer, recover quicker, and build more strength. That makes sense, since they're the building blocks your muscles are made from.

FLAVORS

Pink Candy

Peach Pineapple

Tropical Berry

Blueberry Lemonade
